**ORDER**

Plaintiffs filed a motion to amend the case management order on October 14, 2013. Docket 122. After review of the docket in this case, and in light of the hearing set for October 30, 2013 before Chief Judge Mills, the undersigned finds that the motion to amend the case management order is well taken and should be granted. The deadlines in this case are extended as follows:

|                                     |                   |
|-------------------------------------|-------------------|
| Plaintiffs' expert designations     | December 4, 2013  |
| Defendant's expert designations     | January 10, 2014  |
| Discovery                           | February 27, 2014 |
| Dispositive/ <i>Daubert</i> motions | March 10, 2014    |

All other scheduling remains in effect as previously ordered by the court. Given the current trial setting there will be no other extensions or modifications to these deadlines.

This, the 23<sup>rd</sup> day of October, 2013.
